Dear Child,

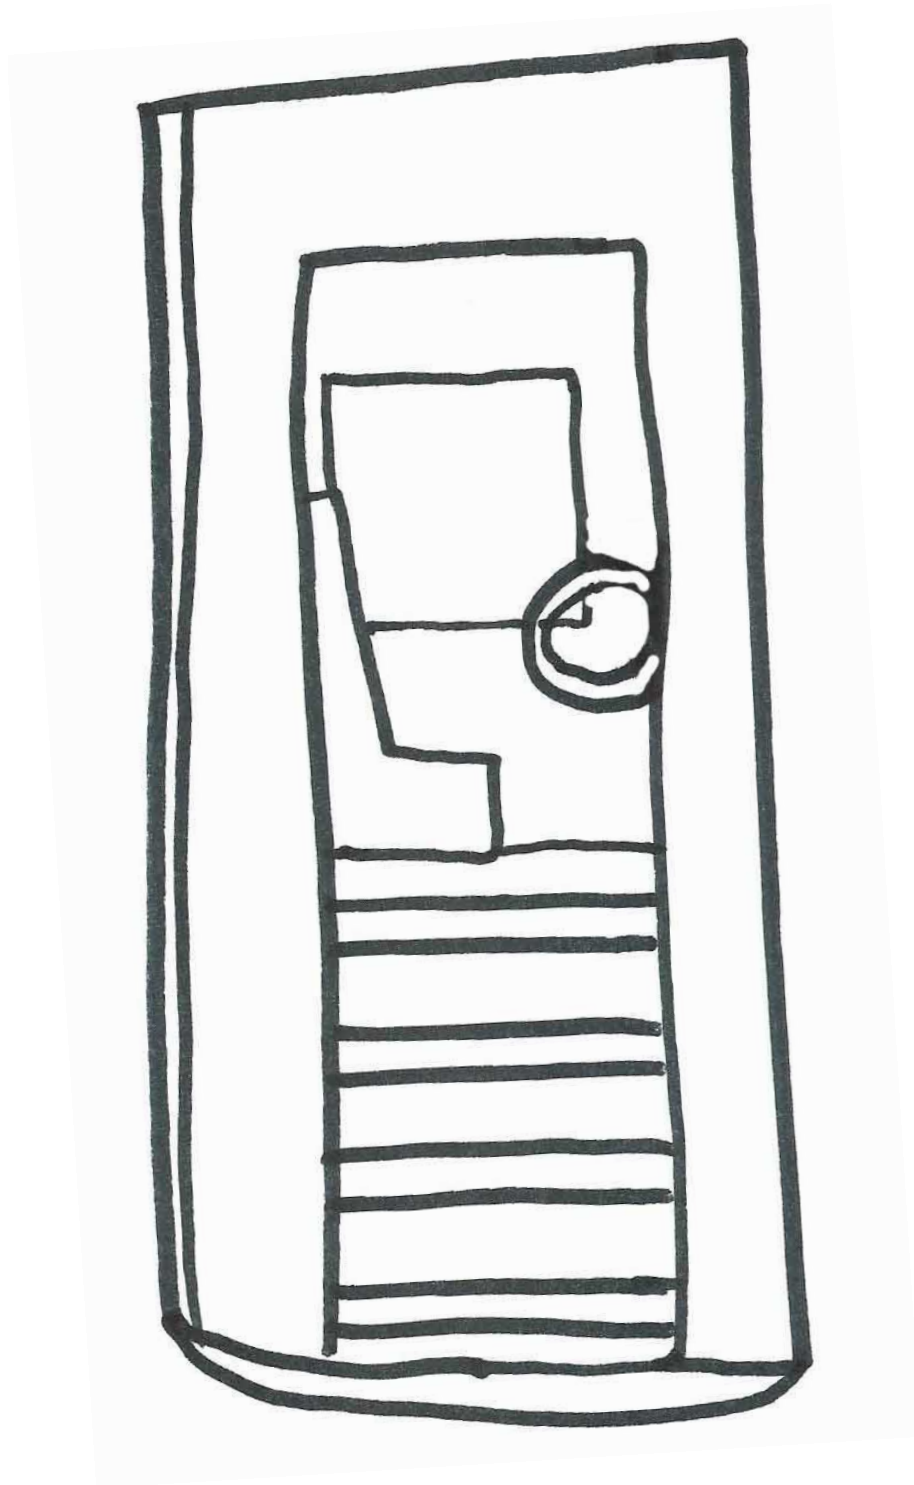

**When the bus picks you up for class
Drivers have to wait to pass.**

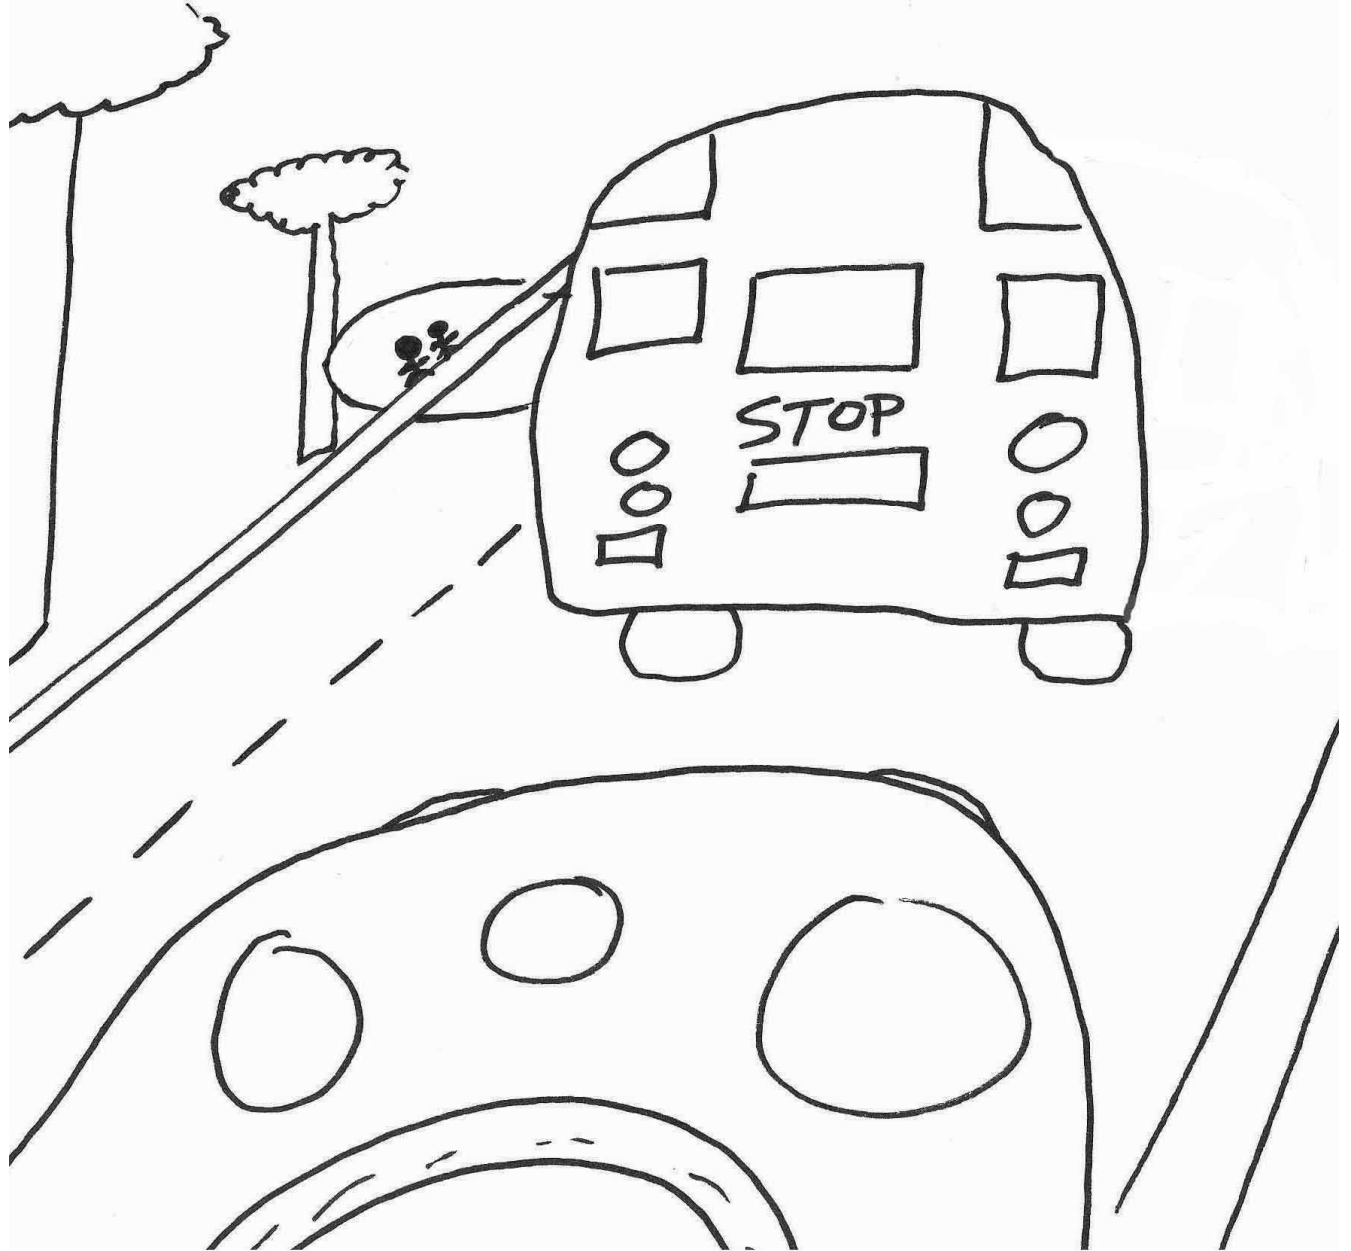

**Drivers stop because it's the right thing to do
They see the stop arm and a light too.**

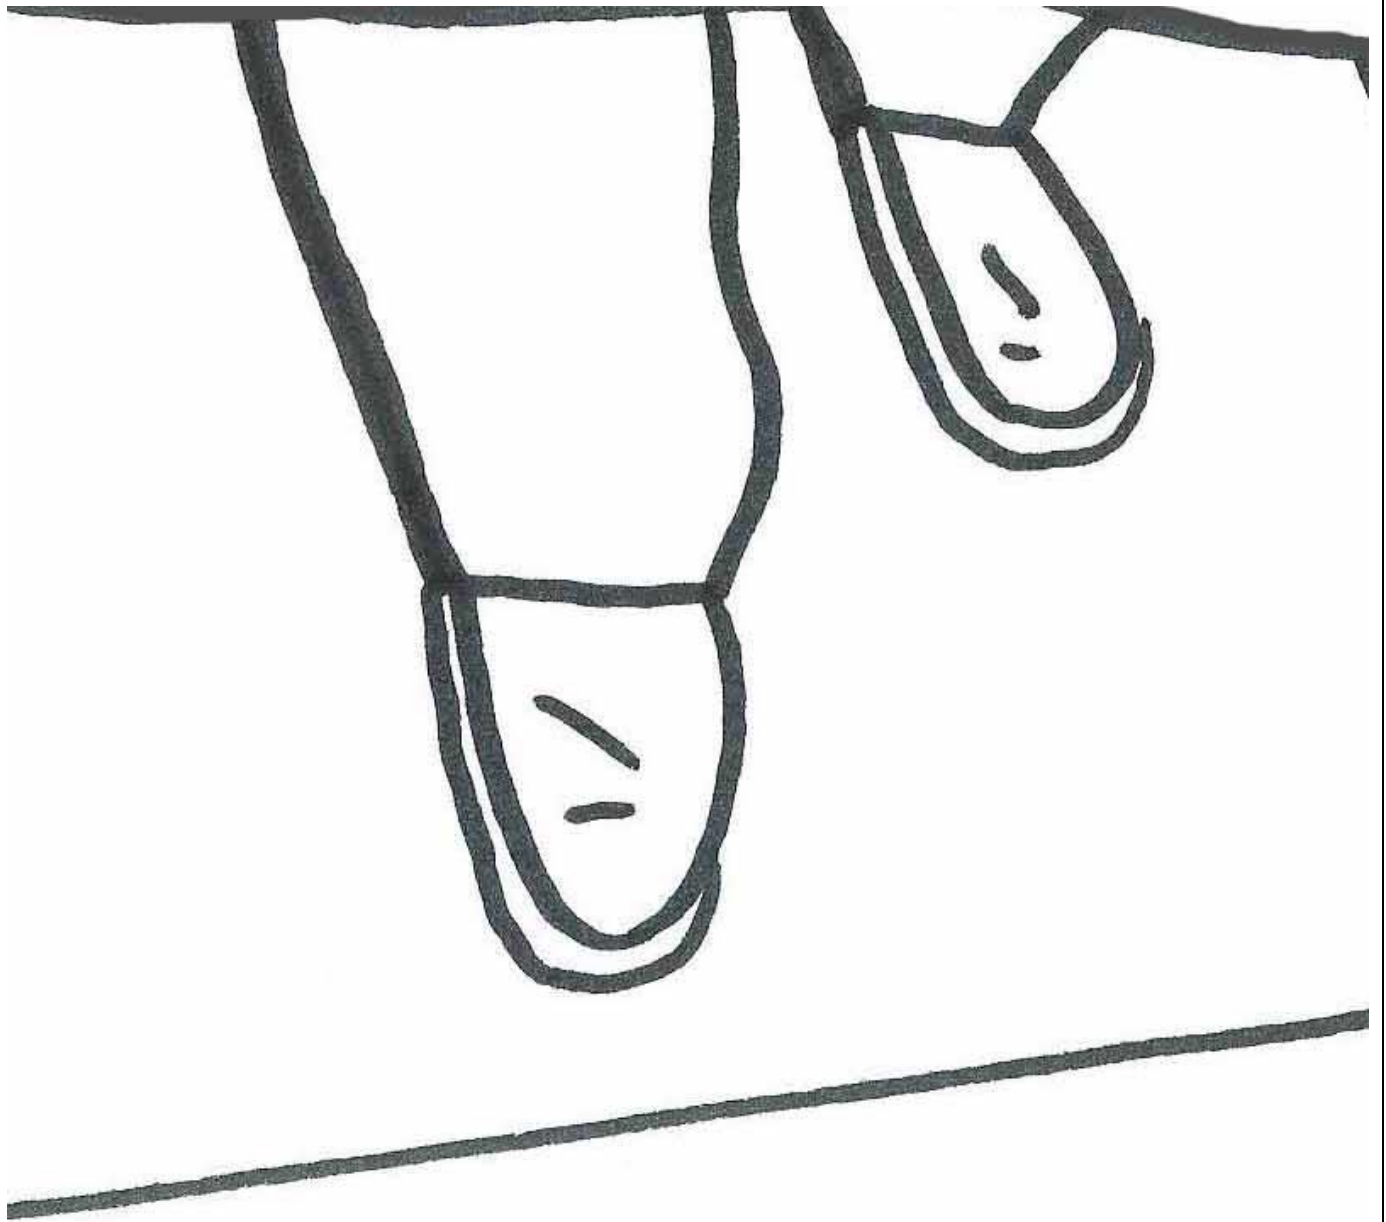

**Today, the drivers and you will see a new light
It shines in the day and the night.**

**When the doors of the bus open, it shines for you
Giving you a safe path to walk right through.**

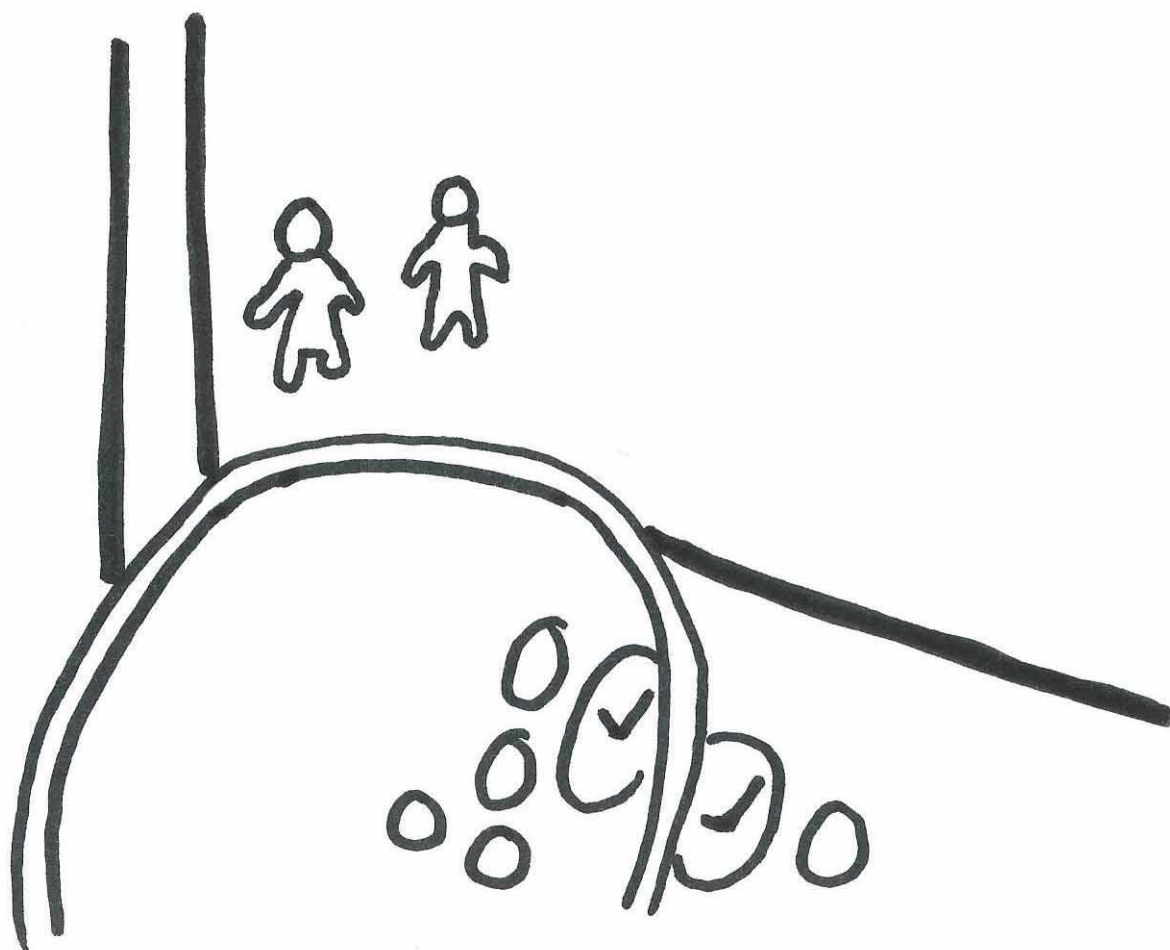

**It shines to make drivers aware
That you are getting on the bus and to take care.**

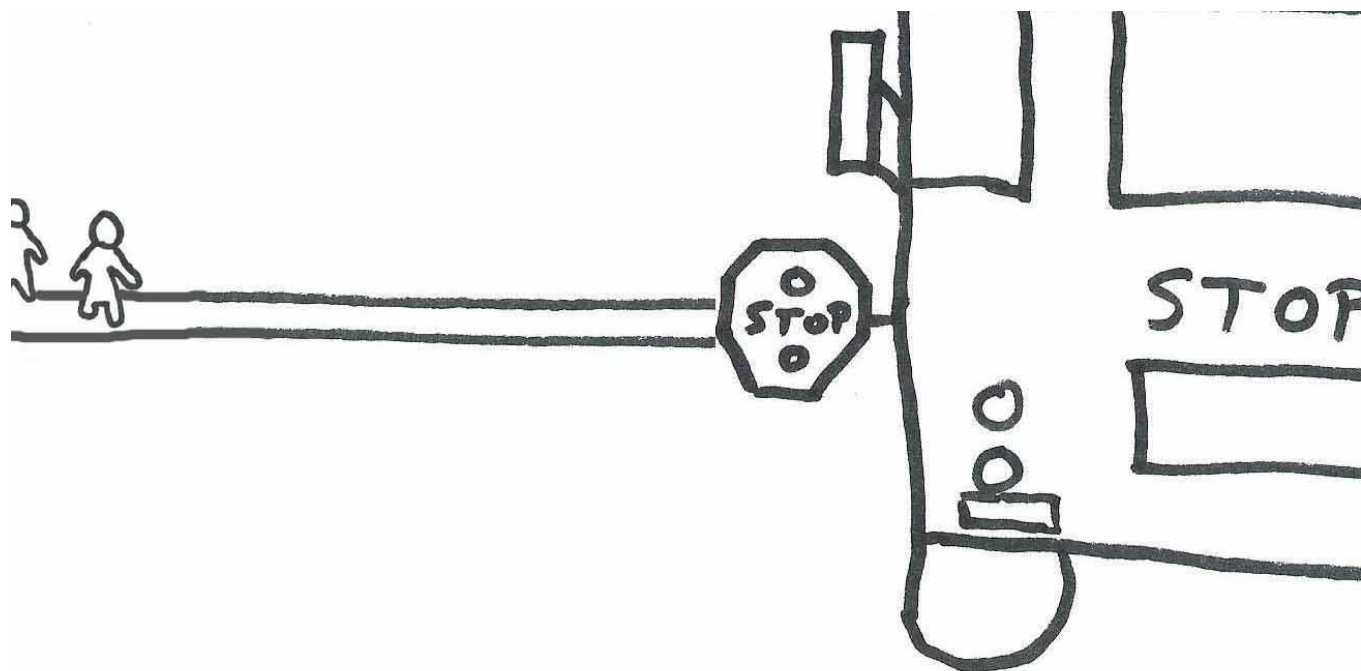

**The light is angled toward the ground
Making sure that you are safe and sound.**

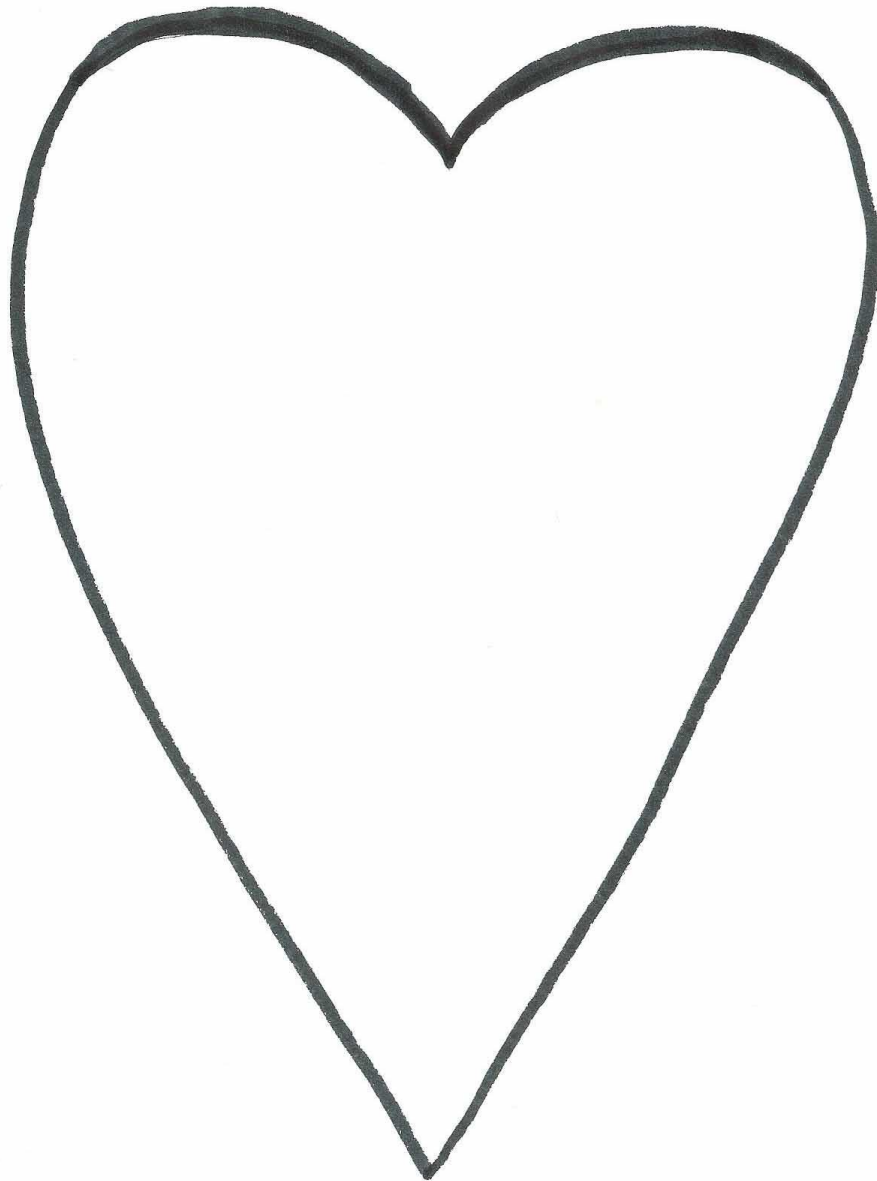

**It shines in the sun, rain, fog, and snow
It's off to school you go.**

**A Gardian Angel® is there to guide the way
So you can be safe yet another day.**

**I care about you and need you to know
That the Gardian Angel® and I love you so.**

**A love you can truly see.
Love always,
Your Gardian Angel® and Me**

We at Gardian Angel, LLC believe in doing the right thing by helping others. This children's book teaches others about the safety surrounding school buses and how new technology is changing our world, all with a positive loving approach.

This book is our gift to you and all we ask in return is that you help someone else.

We would love to hear how you made the world a little brighter.

Sincerely,

Gardian Angel, LLC,
